

Notice to Subscribers.

You will notice that our paper is now addressed by machinery. This is one of the many improvements being made by the Post. Let us explain.

John Smith \$05

Shows that Mr. Smith's subscription has been paid to March 5. A dollar was due on that day. When he remits it the \$5 will be taken out and a \$4 put in its place. These changes will be made as you receive.

A new subscriber will find his label showing the date to which he has paid. Now we have a large sum and want it perfect. Will every subscriber look at the label and if it is not right drop us a postal. We will take your word for anything. We have not split the months but given our subscribers the benefit of any fraction of a month.
